

TESTIMONY FORM

(Necessary to receive grant. Used for purpose of writing an article for our newsletter & post on social media to inform others who are in similar circumstances. Thank you.)

Please write a few sentences about which treatment you chose below, why you chose it, & describe your experience with the type of doctor you chose, i.e., Conventional Oncologist, Functional Medicine, Homeopathy, Integrative Oncologist, Naturopathic Medicine. (Use back of sheet, if needed.)

- Alternative (nontoxic – IV high-dose vitamins/supplements, organic foods, medical marijuana, etc.)
- Integrative (mixture of alternative/conventional)
- Conventional (surgery, radiation, chemo)

Please tell us about your diet & exercise BEFORE/AFTER the cancer diagnosis. Did the oncologist discuss this with you? If applicable, please tell us why your integrative oncologist prescribed supplements (did he/she see a deficiency in your blood, etc.)? Were any detox methods prescribed by the integrative oncologist? Briefly tell us about that & how you're feeling. What alternative therapies did you do and which ones helped you the most? Tell us about the amount of sleep before/after diagnosis & how you're reducing stress. (Use back of sheet, if needed.)

After a follow up visit with your oncologist, tell us about the results of any tests performed; i.e. X-rays, MRIs, blood tests, etc. & any specifics about what the doctor said about the treatment working or not & how the treatment is affecting the tumor. (Please do not mail us any medica/clinical summaries from your doctor.) (Use back of sheet, if needed.)

May we add your email address to receive our newsletters published approx. once per month? Yes/No (Please circle)

SHORT-TERM FEEDBACK FORM

Were you satisfied/dissatisfied with the grant application process? Yes/No Please provide feedback.

In the Guidelines for Grant Application, did we meet the timeframes listed? Yes/No Please provide feedback.

Did the grant meet your specific needs at this time? Yes/No Please provide feedback.

Is there anything we can do to improve the grant application process? Please explain.
